Achiever Series®

Tired of paying consulting fees for training that becomes a one-time event?

Managers and employees need ongoing training to stay ahead of the competition. The **Achiever Series®** online library of management best-practices educational seminars allows you to have access to training on demand.

Discover new ways to create high-performing employees!

Learn new habits to ensure success in the execution of your company's strategic initiatives.

- You'll learn to define more meaningful goals to connect your efforts across your organization.
- You'll learn to establish targeted performance components and complete appraisals that produce measurable results.
- You'll learn how compensation directly affects performance and how to motivate for increased productivity.

Create your own training programs with the click of a mouse!

You'll gain the knowledge you need to create high-performing employees without expensive training, costly software implementations or ineffective consultants!

Learn how to harness the Power of Performance!

Are your employees working at their full potential?

Do you know who your top performers are?

Is your organization prepared for success?

For the Manager

As a manager, you must motivate your employees with clear, specific objectives to ensure success. Success comes in many forms. A cohesive team, a completed project, even day-to-day tasks can lead to increased productivity when managed properly. Because good people are inherently goal driven, your leadership challenge is to set SMART goals, measure the results, and reward success.

The **Achiever Series** will help you do this, providing best-practice knowledge for goal setting, measurement, and performance evaluation. When you log in and learn, you are on your way to increased productivity.

For the HR Professional

Top talent is hard to find. And even harder to keep! When your managers use the **Achiever Series**, they will learn how to define results-oriented goals and manage employees' daily tasks to achieve the organization's strategic objectives. By connecting rewards and performance, your management team will encourage the right behaviors—the behaviors that drive your organization to success!

Give your employees the power to improve! Success is just a click away. Log in today and learn how to change your organization for a more productive tomorrow!

For the Executive

As an executive, you have a responsibility to your shareholders and key stakeholders. As a leader, you have a responsibility to your employees. The **Achiever Series** increases productivity by giving your managers the knowledge they need to improve employee performance.

- Increased employee performance means higher financial returns.
- The **Achiever Series** teaches managers and employees best practices.
- The **Achiever Series** is the path to a more productive workforce.

Simply using the online educational seminars is the first step to achieving increased productivity.

A technically simple alternative!
